Tuition Exchange Information

Saint Francis Montessori's mission is to assist parents in the education of their children, which mission is fostered by direct parental involvement in our programs. In addition, we strive to permit all families, regardless of financial ability, to participate in our program.

In accord with these goals, we offer two forms of financial aid. First, we offer grants, primarily to parents who not only demonstrate financial need, but also are willing to personally assist, in a special and substantial way, in the work of the programs. Second, we offer some employment opportunities for parents to offset tuition costs by working for Saint Francis at a rate of \$20 tuition dollars per hour.

We will notify parents of any grants or work opportunities by June 1.

Work request. The work opportunities at SFM are attached in a separate document. Please choose three in order of priority and write them in here. Thank you! _____
